

A better class of storage

Canvio Premium

The Canvio Premium combines a stylish diamond-cut aluminium design with impressive functionality that makes it easier than ever to store and access up to 3 TB of data.

You can connect to more devices, using the supplied Type-A to Type-C USB adapter, and access your files in more places, thanks to pocket-size portability and remote access capabilities. Plus you can store an extra 10 GB of data securely in the cloud to access whenever you want, on your PC, smartphone or tablet.

The Canvio Premium is ready to use right out of the box, with preloaded NTI® Backup Now EZ™ software that automates backups and recovery. All models are formatted for Windows® and come with a NTFS driver for Mac that allows you to store and access files from PC and Mac computers without reformatting.

Remote access and 10 GB cloud storage

Store an extra 10 GB of data in the cloud. You can also remotely access all the data on your Canvio Premium using software on mobile devices.*

Auto-backup software

Pre-loaded NTI® Backup Now EZ™ software automates file, folder, and full system backup and recovery for complete peace of mind.

Two USB types for extra connectivity

A small, neat Type-A to Type-C USB adapter is included, so you can connect to everything from mobile devices to high-end desktop PCs.
